**About Department of Social Work:**

The Department of Social Work was formed in the year 2011 and is an integral part of the School of Humanities and Social Sciences in Gautam Buddha University. The Department has an eclectic mix of enviable and experienced faculty members. The Department aims to provide both academic and professional exposure to students in the field of social work which encompasses social work in administration, welfare, policy development, community organisation, building human resources, research and documentation among others. The Department strives to enhance the intellectual faculties of students and individuals through both scholastic and field endeavours by engaging them in classroom discussions, field work with institutions and open communities and provide them exposure to national and international events and so on. The Department of Social Work offers Ph.D. and two years Master Degree programmes which is spread out in four semesters.

### About the University:

Gautam Buddha University is modelled in line with some of the best institutions of higher learning around the world. The uniqueness of its reputation is acknowledged through the format, content and pedagogy of its programmes and their relevance to the society. The University encourages multidimensional growth through its education and training. The emphasis is laid on inculcating a sense of responsibility in the young minds and inspiring them to harness these skills for developing a dynamic, dependable, and entrepreneurial model for sustainable growth of the society. A tireless quest for knowledge, exploration, and intellectual excellence make us distinct from the rest.

The University envisions to become a world class centre for excellence in education with a special focus to serve the under privileged, economically challenged and down trodden sections of the society. The academic programmes, designed in line with the best universities around the world, combine the best practices of pedagogy and class room teaching, complemented by practical training and experiential learning.

### Career prospect and placements:

There are ample job opportunities for MSW degree holders in government sector, non- governmental organisations (local, national and international), corporate firms, research based organisations and teaching among others.
