Organizing Secretary

About the Gautam Buddha University

Gautam Buddha University, established by the Uttar Pradesh Act (9) of 2002, commenced its first academic session at its 511 acres lush green campus at Greater Noida in August 2008. The University is fully funded by the New Okhla Industrial Development Authority (NOIDA) and the Greater Noida Industrial Development Authority (GNIDA), the undertakings of the Government of Uttar Pradesh. The University envisions to become a world class centre for excellence in education with a special focus to serve the under privileged and economically challenged sections of the society. The campus and is modeled as a fully residential educational campus in line with the best institutions of higher learning across the globe. The uniqueness of its reputation is acknowledged through the format, content and pedagogy of its programmes and their relevance to the society. The University is recognized by the University Grants Commission under UGC Act and is a member of the Association of Indian Universities. In order to promote value-based education, research and training, the University has established eight schools of learning, which are:

1. **School of Buddhist Studies & Civilization**
2. **School of Management**
3. **School of Vocational Studies & Applied Sciences**
4. **School of Information & Communication Technology**
5. **School of Biotechnology**
6. **School of Humanities & Social Sciences**
7. **School of Law, Justice & Governance**
8. **School of Engineering**

Gautam Buddha University has planned to develop one of the finest campuses that can rival the best in the world. The University campus is an architectural marvel and has in its master plan, which shall be completed by December 2011:

- A fully residential campus for all Faculty, Staff and Students with world class infrastructure and support facilities,
- Lush green campus spread over 511 acres with 30% green area in which 50,000 trees already planted,
- Total built up campus area 55 lacs sq.fts,
- Bodhisattva Dr. Bim Rao Ambedkar Library with total built up area 1.8 lacs sq.fts. with 2000 seating capacity for library users at a time,
- In its fully functional state 5000 Students shall be receiving global exposure and training,
- Manywar Kanshi Ram Auditorium with 3000 seating capacity,
- An Administrative Building
- Eight School Buildings
- Mahatma Jyoti Ba Phule Vipassana Dhyaan Kendra,
- Eklavya Sports Complex with Indoor and Outdoor Stadium, Swimming Pool, and Gymnasium,
- Mahamaya Shanti Sarowar, a water body spread over 11ac sqft area,
- Panchsheel Avasiya Parisar for Faculty and Staff Members
- Separate Transit Hostel for 160 Married Research Scholars,
- Hostel with single occupancy for 5000 Post Graduate Students,
- Savitri Bai Phule Women's Hostel
- Rama Bai Ambedkar Women's Hostel
- Shri Chhatrapati Shahuji Maharaj Men's Hostel
- Shri Narayan Guru Men's Hostel
- Sant Ravi Das Men's Hostel & Other Hostels are under construction,
- An International Convention Centre
- An International Centre and Guest House
- Well-furnished University Guest House,
- Shopping Centre and Utility Centres
- Faculty and Staff Club, and
- Many other support facilities.

All the Schools and the Centres are in synchrony with the essence of our predominant Buddhist Ethics and Practices in the modern context. All these centres of learning encompass modern fields of studies, high-end technological exposure and a meaningful dissemination of knowledge coupled with practicing wisdom.

About the Bodhisattva Dr. Bhim Rao Ambedkar Library

Bodhisattva Dr. Bhim Rao Ambedkar Library is the spirit of academic and research activities of the Gautam Buddha University. It has been catering to the needs of faculty members, research scholars, and students on campus effectively. It has huge volumes of books and e-journals which cover the disciplines of management, computer science, information technology, biotechnology, Humanities, and other related areas. The library is located on the outer circle of the schools as the background of Tathagat's statue. The library is well equipped with modern facilities, spacious stack halls, 2000-seating capacity reading hall, reference sections, catalogue area, multiple loaning counters, and is managed by a highly dedicated team of professionals. The mission of Bodhisattva Dr. B.R.Ambedkar Library is to "provide high quality services in support of the teaching and research objectives of the University communities". The plans to remain open round the clock.

The Bodhisattva Dr. Bhim Rao Ambedkar Library liaises with academic staff and researchers to identify the information needs of library users, procures material and provides services to make required information available,

provides a conducive environment to study and research, and facilitates users with advice, assistance and skills training in using documents and information sources.

The University Library is a member of INDEST, INFONET, DELNET, ECCH, CMIE and has subscribed to many e-journals and sources such as IEEE , ACM, Springer, Science Direct, Emerald, Oxford University Press, JSTOR, Nature, EBSCO (Business Source Complete and Academic Search Complete), Proquest ABI/Inform Complete, PROWESS, EIS (Economic Intelligence Service) to name a few. The following electronic resources are used at a high frequency by the faculty members, researcher scholars, and students on campus.

About the Conference

With the advent of new technology, the field of Librarianship has totally changed. From traditional library to mobile set based library is in the practice. New dimensions have been searched. Digitations technology has revolution the concept of the library theories. Indexing and abstracting have been in the new avatar. The imaginations of the libraries have not stopped. Limitless library services are thought of Virtual forms of libraries are acceptable in academic world. New frontiers are being searched. The entire library world is fascinating with the new developments. New challenges are ahead. Thus the national seminar will focus light on the development being observed in various fields of the librarianship. Can we think of Beyond Librarianship? What are the new challenges, and what are the limits of the library services? These questions are to be addressed during the seminar.

Objectives of the Conference are as under:

1. To assess of the new digitization process adopted in various libraries.
2. To know the new technologies that have emerged insecurity, indexing and abstracting
3. To share the experience of librarians for copyright issues, standards, and patents
4. To acquainted with the new research being done in the field.
5. To understand the financial impact of the technology.
6. To know the social and academic impact of the new technology.
7. To know how social media can be used for the benefit of the librarians and the library services.
