### FINAL CALL FOR PAPERS

Respected Sir / Madam,

Gautam Buddha University, established by the Uttar Pradesh Act (9) of 2002, commenced its first academic session at its 511 acres lush green campus at Greater Noida in August 2008. The University envisions to become a world class centre for excellence in education with a special focus to serve the under privileged and economically challenged sections of the society. The University is modeled as a fully residential educational campus in line with the best institutions of higher learning across the globe. The uniqueness of its reputation is acknowledged through the format, content and pedagogy of its programmes and their relevance to the society. The University is recognized by the University Grants Commission under UGC Act and is a member of the Association of Indian Universities.

The School of Information and Communication Technology (SICT) was established in year 2009. School produces skilled postgraduate professionals in the emerging areas of technologies. It offers post graduate programmes - 2 year M. Tech. ICT for Engineering Graduate, 3 year M. Tech. ICT for Science Graduates and 5 years Integrated Dual Degree B. Tech. in CSE and ECE with M. Tech./MBA with following specializations at M. Tech. Level: Software Engineering, Wireless Communication and Networks, Intelligent Systems and Robotics, and VLSI Design with modern laboratories, which provides students the skills and the knowledge relevant for meeting the challenges posed by the information and communication technology. The School has spacious classrooms as well as state-of-the-art teaching aids including overhead projectors, LCD panels along with learning management system. Our faculty members are highly qualified, pioneering in teaching and research.
