Ms. M Kodeeswari	Ms. Priyanka Goyal

Objectives of the FDP

The basic objective of the FDP is to promote and encourage the development of advance Software

engineering and networking techniques among the software engineers, network engineers and researchers.

The FDP on Recent Advancements in Software Engineering & Networking Technologies (RASENT) will provide a forum to encourage and exchange of ideas, techniques and experiences. This aims is to bridge the research gap between the industries and academia. The FDP comprises the discussion of theories, applications and case studies in the field of Software Engineering and Networking Technologies.

Faculty members, Researchers and practitioners from academia, industry, public sector and the government are welcome and encouraged to participate.

About the University

Gautam Buddha University, established by Uttar Pradesh government in 511 acres lush green campus at Greater Noida encourages multidimensional growth through its education, training and research. The University envisions becoming a world class centre for excellence in education & research. The academic programmes, designed in line with the best universities around the world, combine the best practices of pedagogy and class room teaching, complemented by practical training and experiential learning. In order to promote value-based education, research and training, the University has established eight schools. To cater the engineering disciplines; School of Engineering, Information & Communication Technology and Architecture & Built Environment offers Post Graduate & Doctoral level studies of the branches of Engineering & Technology including interdisciplinary domains. In terms of infrastructure the University can boost of having world class facility.

ANNOUNCES

Faculty Development Programme

on

**Recent Advancements in Software
Engineering & Networking
Technologies
(FDP-RASENT' 12)**

(11-15 June, 2012)

Organised by

**School of
Information and Communication Technology
Gautam Buddha University, Greater Noida,
Uttar Pradesh – 201308 (India)
In Collaboration with
Computer Society of India (NOIDA Chapter)**

About the School of ICT

School of Information & Communication Technology aims to produce postgraduate professionals in the emerging areas of Electronics & Communication Engineering and Computer Science & Engineering.

The school has well trained and research oriented faculty members. It offers post graduate programme (Master of Technology) as well as Doctoral programme with modern and state of the art laboratories.

Resource Persons

Eminent persons from the academic institutions i.e. IIT's/NIT's, research organizations and from the industries will be invited to deliver sessions on software testing, cloud computing, MPLS and sensor networks, software reliability, network security etc. and interact with the participants.

Target Audience

The FDP is targeted towards system engineers, design engineers, software engineers, Network engineers, computer scientists, researchers, faculty members, and students interested in field of Software Engineering & Networking Technologies to enhance their technical skills.

Registration Fee

Delegates from Industry/ Faculty Members: Rs. 5000/-
Research Scholar/Student : Rs. 3000/-
Delegates from GBU : Rs. 2000/-

Registration will be done on first come first served basis. As the number of seats is limited to 40, early registration is recommended. The registration fee should be paid in the form of Demand Draft drawn in favour of "Gautam Buddha University" payable at Delhi and to be sent along with the registration form. Please write your name and contact at the back of Demand Draft.

*Paid accommodation will be provided subject to availability

Course Materials

Presentations on a CD (subject to the IPR guidelines by the resource persons and their organizations). All delegates will also receive a Certificate of Participation.

Location

University is situated on Yamuna Expressway, Greater Noida in the National Capital Region of New Delhi, India and is very well connected through World Class Roads from New Delhi Airport, Railway Stations and Inter State Bus Terminus by less than an hour's drive.

Important Dates

Last date of Registration with Fees : 25th May, 2012
Intimation of Confirmation : 1st June, 2012

Address for Communication

REGISTRATION FORM

Faculty Development Programme

on

Recent Advancements in Software Engineering and Networking Technologies (FDP-RASENT'12)

In Collaboration with Computer Society of India (NOIDA Chapter)

Full Name: _____

Designation: _____

Department: _____

Organization: _____

Experience (in years) Teaching: _____ Industry: _____

Address for Correspondence: _____

Pin Code: _____ Phone: _____

Mobile No.: _____ E.mail: _____

Registration Category: (Please Tick)

- ☐ Participants from Industry/ Faculty Members
☐ Research Scholar/Students
☐ Participants from GBU

Details of Registration Fee:

Name of Bank & Branch: _____

DD No.: _____ Dated: _____

For Rs. _____

Date: _____

Signature of Participant

The applicant is hereby sponsored and will be permitted to attend the FDP.
Signature and stamp of the Sponsoring Authority

No TA/DA will be paid. Plz. Post your completely filled registration form to Convener (RASENT'12), School of ICT, Gautam Buddha University, Yamuna Expressway, Greater Noida, Gautam Budh Nagar, Uttar Pradesh (India) – 201308.
