Admissions 2010-11

GAUTAM BUDDHA UNIVERSITY

Greater Noida, Gautam Budh Nagar-201 308 (U.P.)

Tel.: 0120-2344234 email: admissions@gbu.ac.in

Website: www.gbu.ac.in

VISION

A globally acclaimed integrated academic and research institution that creates a vibrant community of intellectuals and entrepreneurs endowed with Character, Creativity, Competence and Commitment, who can inspire meaningful transformations to ensure holistic growth and development of the society.

Thatthagat on Campus

CHARACTER, CREATIVITY, COMPETENCE AND COMMITMENT: OUR CORE ELEMENTS OF EXCELLENCE

PRAGYA, SHEEL AND KARUNA: OUR CORE ELEMENTS OF PRACTICE

From the desk of the Vice Chancellor

As they say, “Man starts with being, then he becomes”, true to its essence, we, at Gautam Buddha University, have initiated a new model of Enlightened Education to cater to the needs of the transnational and pluralistic world. The noble initiative started with its first academic session in August 2008 has grown into a mission now. With a lush green and serene campus equipped with all modern infrastructure facilities, the University presents an ideal environment for the pursuit of academic excellence in various streams of studies. It offers cutting edge value-based postgraduate level education through its innovatively designed programmes. Along with teaching, we devote adequate resources on creating new knowledge and influencing practices.

Instead of taking a myopic view of education and training, we strive to make our students valuable professionals who become ready to take multiple challenges. The programmes we offer and the training we impart are rigorous in nature and demand greater efforts in terms of discipline, focus, perseverance, and dedication. The philosophy of the University is put into practice by our accomplished faculty, recruited and groomed in accordance with the practices of reputed national and international institutions.

We are redrawing the roadmap for achieving success in totality sans fragmented values, degraded ethics and spurred greed. We have assumed this responsibility with a vision to inculcate values and prepare these young aspirants to harness all their knowledge and skills for the multidimensional growth of the society.

I extend my heartfelt wishes for every success to the young aspirants that they deserve and welcome them to the folds of Gautam Buddha University.

Prof. R. S. Nirjar

About the University

Gautam Buddha University, established by the Uttar Pradesh Act (9) of 2002, commenced its first academic session at its 511 acres lush green campus at Greater Noida in August 2008. The University is funded by the New Okhla Industrial Development Authority (NOIDA) and the Greater Noida Industrial Development Authority (GNIDA). The University envisions to become a world class center for excellence in education with a special focus to serve the under privileged and economically challenged sections of the society. The University is modeled in line with some of the best institutions of higher learning around the world. The uniqueness of its reputation is acknowledged through the format, content and pedagogy of its programmes and their relevance to the society.

The Campus

Gautam Buddha University has planned and is developing one of the finest campuses that can rival the best in the world. The University Campus is an architectural marvel and has in its master plan:

- A campus spread over 511 acres with about 54000 plus sqm of constructed area, and 30% green belt with more than 50,000 trees already planted,
- A central library with a reading hall that can house 2000 students at a time,
- An administrative building and eight school buildings,
- The faculty & staff quarters, married research scholar hostels,
- Hostel complexes for 5000 students,
- Two international guesthouses,
- An international centre,
- A meditation centre,
- Swimming pools,
- Gymnasia and indoor and outdoor sports complexes,
- Water bodies
- Utility centers and many other facilities.

Academic Programmes

Gautam Buddha University cultivates vision and encourages growth with a sense of responsibility to harness the students for the multidimensional growth of the society. Our Vision and Mission are carried out by our accomplished faculty, recruited and groomed in accordance with the practices in reputed national and international institutions. The academic programmes, designed in line with the best universities around the world, combine the best practices of pedagogy and class room teaching, complemented by practical training and experiential learning. A tireless quest for knowledge and exploration, intellectual excellence, and inculcation of eternal human values makes us distinct from the rest. In order to promote value-based education, research and training, the University has established five Schools. These are:

- 1. School of Management**
- 2. School of Biotechnology**
- 3. School of Information Technology**
- 4. School of Engineering & Applied Sciences**
- 5. School of Humanities & Social Sciences**

In near future the University is planning to add three more schools viz.

- 6. School of Law, Justice & Empowerment**
- 7. School of Planning & Development Studies**
- 8. School of Buddhist Studies & Civilization**

School of Management

The Gautam Buddha University School of Management (GBUSM) commenced its MBA programme in August 2008 with 120 students. Since then, it has been marching on with an integrated focus on exploring and creating new avenues for young aspirants through strategic collaborations with institutions and enterprises of national and international repute. With the credo 'Change is the only Constant' in today's business environment, all programmes at GBUSM focus on creating 'learning managers' who are dynamic in every dimension of their personality. The curriculum of all its academic activities has international and cross cultural focus. Competent and experienced faculty of GBUSM ensures all round development of the students.

The School has state of the art classrooms and computing facilities, supported by an extensive library of books, journals, films and databases. Located in the serene and pollution-free campus, with extensive sports and co-curricular facilities in abundance, GBUSM is well equipped to meet all essential requirements of its students. The School has one department – Department of Business Studies – and three Centres of Excellence, which are Centre for Executive Education, Centre for Entrepreneurship and Innovations, and Centre for Management of Financial Services.

Programme offered

The School of Management offers following programmes:

1. Masters in Business Administration (MBA)

The School of Management offers MBA programme with specialization in Finance and Accounts, Human Resource Management, Marketing Management, Strategic Management and Operations Management. Duration of the programme is 2 years which is spread over 4 semesters

2. Doctoral Research Programme

GBU School of Management also offers Off-Campus Ph.D. programme. Admission details of this programme are advertised from time to time.

School of Biotechnology

As a multidisciplinary applied science, Biotechnology is an amalgam of Molecular Biology, Recombinant DNA Technology, Genetics and Biochemistry. School of Biotechnology offers M. Tech. programme in Biotechnology with specialization in Bioinformatics, Genetic Engineering and Food Technology. These programmes in Biotechnology intend to supply both basic and advanced knowledge of biological systems and the technological competence to allow the graduate to carry out research and development activities in the numerous fields of Biotechnology, especially in medical and food sectors. This is a unique programme designed to give science graduates, an opportunity to enter in the fast developing area of Biotechnology.

Programme Offered

The School of Biotechnology offers following programme:

Masters of Technology in Biotechnology (M.Tech.- Biotech)

The School of Biotechnology offers M. Tech. (Biotech) programme with specialization in Genetics Engineering, Bioinformatics and Food Technology. Duration of M.Tech. (Biotech) programme is 3 ½ years which is spread over 7 semesters

School of Information Technology

The School of Information Technology intends to provide advanced knowledge in the area of Information and Communication Technologies which allows graduates to enter in the arena of higher education and research. The School offers unique opportunity to science graduates also to switchover to technology field and contribute in the rapidly advancing areas of Information Technology. The School also offers a post graduate programme for engineering graduates. These programmes are designed to develop overall skills of the candidates and prepare them to face the growing challenges of the corporate world and modern day industry.

Programmes Offered

The School of Information Technology offers following programmes:

1. Master of Technology for Engineering Graduates- M.Tech. (ICT)

The School of Information Technology offers M.Tech. (ICT) degree for Engineering Graduates with specialization in Software Engineering, VLSI Design and Wireless Communication & Networks. Duration of M.Tech. (ICT) Programme for Engineering Graduates is 2 years which is spread over 4 semesters. The admission to this programme will be based on GATE score, academic record and personal interview. **The candidate must note that the GATE score is to be used only for admission purpose and no scholarship (GATE Scholarship) will be given.**

2. Master of Technology for Science Graduates- M.Tech. (ICT)

The School offers an opportunity to Science Graduates to complete M.Tech. in the specializations namely Software Engineering, VLSI Design and Wireless Communication & Networks. Duration of M.Tech. (ICT) Programme for Science Graduates is 3 ½ years which is spread over 7 semesters.

3. Integrated Dual Degree Programme (B.Tech. + M.Tech. / MBA)

The School offers B.Tech. plus M.Tech. / MBA Degree with specialization in Computer Science or Electronics and Communication in B.Tech. degree. This programme is open for 10+2 students. The students who complete this programme will be awarded two degrees one at bachelor's level which is B. Tech. and at masters level. The students will have an option to choose either M.Tech. or MBA for their post graduate degree. The duration of this programme will be 5 years which is spread over 10 semesters. However, students will have an option of leaving the programme after 4 years successfully completing Bachelor's programme. In such case he/she will be awarded only B.Tech. degree.

School of Engineering and Architecture

The School of Engineering and Architecture offers integrated dual degree programme to give a unique opportunity to millions of aspirants to complete bachelors degree in engineering plus masters degree in engineering or management in one go, thus saving his/her precious one year and substantial amount of money, with the flexibility to quit the programme after getting Bachelor's degree if a candidate so desires. Apart from this, the University provides excellent atmosphere and infrastructure to carry on research activities in the areas of Engineering and Management both, for those who wish to acquire higher education and want to work in the fields of education and research.

Programme Offered

The School of Engineering and Architecture offers following programme:

Integrated Dual Degree Programme (B.Tech + M.Tech. / MBA)

The School offers B.Tech. plus M.Tech. / MBA Degree with specialization in Civil / Mechanical/ Electrical Engineering in B.Tech. degree. This programme is open for 10+2 students. The students who complete this programme will be awarded two degrees one at bachelor's level which is B. Tech. and at masters level. The students will have an option to choose either M.Tech. or MBA for their post graduate degree. The duration of this programme will be 5 years which is spread over 10 semesters. However, students will have an option of

leaving the programme after 4 years successfully completing Bachelor's programme. In such case he/she will be awarded only B.Tech. degree.

School of Social Sciences & Developmental Studies

The School of Social Sciences & Developmental Studies has been established to impart higher education in specialized disciplines like Applied Psychology, Social Work, International Relations and Education with the aim to prepare professionals who can use their knowledge and skills for working with Corporate, Industries as well as with various Government and Non-Government Organizations.

Programmes Offered

The School of Social Sciences & Developmental Studies offers following programme:

1. **M.A. (Applied Psychology)**
2. **M.A. (Social Work)**
3. **M.A. (International Relations)**
4. **M.A. (Education)**

Duration of Programme

Duration of M.A. Programme is 2 years which is spread over 4 semesters.

PLACEMENTS

The Corporate Resource Centre (CRC), headed by Manager, Corporate Interactions, helps students in summer as well as Final placements. The CRC involves students strategically for the placement process. Placement process aims to match the requirement of the recruiters and aspirations of the students. CRC is currently facilitating the existing MBA/ M.Tech. students for:

Summer Internship

The summer internship of 8-10 weeks aims to widen the student's perspective by providing an exposure to organizations' real life situations. This in turn helps organizations to build a long term relationship with the student community.

Final Placement

The campus Placement process at GBU helps students to match their skill sets and job aspirations with requirements of the recruiters. The CRC makes efforts to invite large number of recruiters from private and public sectors. The placement process is spread over four months from December to March wherein the companies from diverse sectors evaluate the students before committing to a permanent hire.

INTERNATIONAL COLLABORATIONS

We are carefully crafting our future which ensures qualitative education and training to students. In our quest for achieving intellectual excellence the University is in the process to have tie-ups and mutual accreditations with more than 15 universities in UK, USA, Australia and other major developed European countries. In this regard the University has signed **MoUs** with the **Queensland University of Technology, Brisbane, Australia** and the **International Business Academy, Kolding Denmark**. To take the initiative of the University further, the government of Uttar Pradesh has introduced special scholarships for students of SC/ST and other economically challenged students of the society enabling 50% of them to meet their expenses for one semester at a university abroad for their travel, stay and course fees.

On 01 August 2009, 50% of the total students of School of Management from SC/ST category and BPL category went to Denmark to attend Summer School Programme at the **International Business Academy, Kolding, Denmark** for a semester to study "The European Management Perspective."

Central Library

The University has one of the most voluminous and technologically updated Central Library besides departmental libraries in each school. The volume is growing day by day in the form of books, journals and other form of source material. In addition to text books and reference materials, the collection also includes encyclopedia, directories, atlas, handbooks, dictionaries and reports of different committees, commissions and working groups, plan documents, statistical publications, acts, rules and guidelines. Library also keeps conference proceedings and papers, research reports, and working papers etc. It regularly receives over a dozen of newsletters from various research and academic institutions.

E-Resources (Online- Resources)

The Library is a member of the Indian National Digital Library in Engineering, Sciences and Technology (INDEST) and has been subscribing Emerald and IEEE electronic library. The following electronic resources subscribed by the library for students, faculty and staff members and research scholars are

1. Emerald (150 online Full Text Journals)
2. EBSCO (Business Source Complete, 4200 online Journals)
3. Prowess and EIS (Economic Intelligence Service)
4. IEEE electronic library (235 online Full Text Journals)

Information Services

The library provides a variety of services to its users. These include reference queries, referral services, reprographic services, scanning, printing, orientation, current awareness service (CAS), training programme & demonstration and inter-library loan through DELNET.

Central Computer Centre

The Central Computer Centre (CCC) caters to the computational needs of the Gautam Buddha University (GBU). It manages the extensive academic computing & networking facilities of the Gautam Buddha University, providing the University community with state-of-art computing facilities. In the Campus network is carefully planned, keeping options in mind for future expansions. Fiber-optic cabling is used to connect all the major buildings. The campus has also been made Wi-Fi. CCC has strong IT security infrastructure that protects the GBU network from outside hackers. Most of the server are using Open Source platform.

The Central Computer Centre is planning to cover the entire area, including hostels, sports office, dispensary, and guest houses spread over 511 acres of vast Campus through Fiber and Wi-Fi. CCC is also planning to make GBU a pioneer institution in the use of open source platform for computing and desktop applications. Besides this, there is a plan to equip the University campus with hi-tech surveillance cameras to keep an eye on each and every activity in its vast campus.

Each school of the University shall have state of the art computer center with high speed internet connectivity in addition to a Central Computer Centre with internet connectivity and a wi-fi environment on campus.

Life at Campus

Students of Guatam Buddha University are groomed carefully. Discipline and ethical practices in profession are imbibed by them constantly during their stay at campus. Campus life stresses the importance of extra academic activities apart from their academic learning, leading them to explore many new avenues. This increases focus which shall, in turn, help a student to scale new heights of academic excellence. Students of Guatam Buddha University are facilitated through academic as well as non- academic support system. Apart from the rigorous curricular training and physical work outs, the University has constituted many clubs for the students to have a creative respite. These include clubs for Music and Dance, Dramatics, Fine Arts, Debate, and many others.

Hostel

The University, being a fully residential campus, shall have separate hostel accommodations for boys and girls with 5000 single seated hostel rooms and complete wi-fi premises. In the first phase of its construction 600 single seated rooms will be available on campus in July 2009. There are separate hostels “ **Savitri Bai Phule Mahila Chhatravas’** for girls and ‘ **Shri Chhatrapati Sahuji Maharaj Chhatravas’** for boys within the Campus. Hostels are having single seated rooms and in full capacity the hostels will be able to accommodate 5000 students. There is another hostel for married research scholars.

Meditation Centre

In addition to curricular inputs the University is creating facilities to guide and shape physical, mental and spiritual growth of young minds, body and soul. The Jyoti Rao Phule Meditation Centre, inspired by stupa-architecture, structural marvel can accommodate huge number of practitioners of meditation in its all modern forms and will also house a library with a sizeable body of literature.

Sports Activities

The University promotes multi dimensional growth with emphasis on an integrated physical and intellectual training. There is devised special slots in daily curriculum for physical training, track and field activities, and other sports both indoor and outdoor ones. A huge sports ground with an eight lane track is shaping physical health of its inmates.

Shauryotasva: Spirits at display

Shauryotasva, annual sports meet aims at motivating students participate and add physical extensions to their intellectual quests.

Cultural Activities

“Culture is the widening of mind and spirits” well displayed by the students of Gautam Buddha University. The beauty of every culture is enhanced by the minds that practice it.

***Abhivyanjan*a: Unraveling meanings**

*Abhivyanjan*a is a birth of a new tradition. It is GBU’s annual cultural event that intends to add wings to intellect, imagery, and creativity of our students. It is very essential for every civilization to preserve their heritage and celebrate it from time to time. No culture can survive in isolation hence it is imperative to make the young generation aware of this heritage. *Abhivyanjan*a aims at dissolving the cultural demarcations and facilitating a

new school of thought where every student thinks beyond boundaries but still grounded to his values. It also gives a platform to the budding managers and compels them to think out of the box.

Evening Out

The campus has many other pleasing attractions with fountains, water bodies and the *Shanti Sarowar* with ever inspiring *Tathagat's* statue in it. The scenic beauty and neon lights are very captivating to mesmerise evening walkers.

Admissions 2010- 11

GBU conducts Graduate Proficiency Test (GPT 2010) for the admission to following programmes

S.No.	Name of the Programme	Eligibility	Duration & No. of Seats*
1.	MBA (Specialization in Human Resource Mgt. / Finance / Marketing Mgt. / Strategic Mgt. / Operations Mgt.)	Graduation in any discipline from a University/College established by law, securing minimum 50% marks (40% for SC/ST)	2 years (4 Semesters) 120
2.	M. Tech. (Biotech.) (Specialization in Genetic Engg. / Bio-Informatics/ Food Technology)	Graduation in any discipline of life sciences, from any University/college established by law, with minimum 50% marks (40% for SC/ST) or equivalent grade.	3 ½ years (7 semesters) 60
3.	M. Tech. (ICT) for Science Graduates (Specialization in Software Engg. / VLSI Design / Wireless Comm. & Networks)	Graduation in science with mathematics or BCA from any recognized college/University with minimum 50% marks (40% for SC/ST) or equivalent grade	3 ½ years (7 semesters) 60
4.	M.A. (Applied Psychology / Social Work / International Relations / Education)	Graduation in any discipline from a University/College established by law, securing minimum 50% marks (40% for SC/ST)	2 years (4 Semesters) 120

GBU conducts Undergraduate Proficiency Test (GPTU -2010) for the admission to following programme

S.No.	Name of the Programme	Eligibility	Duration & No. of Seats*
5.	5 Year Integrated Dual Degree Programme (B.Tech + M.Tech. / MBA) B.Tech. in (Computer Science / Electronics and Communication/ Civil Engineering / Mechanical Engineering/ Electrical Engineering) + M.Tech./MBA	10+2 with Physics, Chemistry and Mathematics securing minimum 50% marks (40% for SC/ST) is eligible to apply for the above program. Candidates appearing in the 10+2 with Physics, Chemistry and Mathematics can also apply	5 years (10 semesters) (Computer Science- 45) (Electronics and Communication- 60) (Civil Engineering - 45) (Mechanical Engineering- 60) (Electrical Engineering - 45)

For admission to M.Tech. (ICT) for Engineering Graduates

S.No.	Name of the Programme	Eligibility	Duration & No. of Seats*
6.	M.Tech.(ICT) for Engineering Graduates (Specializations of Software Engineering, VLSI Design and Wireless Communication & Networks)	B.E./ B.Tech. degree in Computer Science/ Computer Technology/Information Technology/ Electronics and Communication or M.Sc.(Electronics/ Computer Science/ Computer Technology) from any recognized University/ College with minimum 50% marks (40% for SC/ST) Admission will be based on the GATE score , Personal interview and Academic record.	2 years (4 semesters) 60

*The number of seats may be increased or decreased

Fees for various programmes*

Academic fee and other charges applicable for various programmes is given in following table:

S.No.	Name of the Programme	Academic Fee per year	Hostel charges per year [#]	Registration Fee at the time of admission
1.	MBA	Rs. 2, 10,000/-	Rs. 30,000/-	Rs. 10,000/-
2.	M. Tech. (Biotechnology)	Rs. 60,000/-	Rs. 30,000/-	Rs. 10,000/-
3.	M. Tech. (ICT)	Rs. 60,000/-	Rs. 30,000/-	Rs. 10,000/-
4.	M.A.	Rs. 36,000/-	Rs. 30,000/-	Rs. 10,000/-
5.	Integrated Dual Degree Programme	Rs. 84,000/-	Rs. 30,000/-	Rs. 10,000/-

* Fees can be revised

Hostel charges are only for accommodation. Food charges will be extra.

In addition to above fee, a refundable security of Rs. 10000 will also required to be deposited

Schedule of Entrance Test

The schedule of various test is given below.

S.No	Programme	Test to be taken	Date of Test	Time of Test
1	MBA	GPT-2010	8 th May, 2010	10.00 A.M. to 12.00 P.M.
2	M.Tech.(Biotechnology),M.Tech.(ICT),M.A.	GPT-2010	8 th May, 2010	2.00 P.M. to 4.00 P.M.
3.	Integrated Dual Degree Programme (B.Tech + M.Tech/MBA)	GPTU-2010	9 th May, 2010	10.00 A.M. to 12.00 P.M.

Syllabi for GPT 2010 and GPTU 2010

S. No.	Programme	Subjects/Coverage Area	Percent Weightage
1.	MBA	Reasoning and Aptitude Mathematical ability and Data Interpretation English Awareness General Awareness	30 30 20 20
2.	M.Tech. (Biotechnology)	Biology (Graduate Level) Chemistry (Graduate level) English Awareness General Awareness	30 30 20 20
3.	M.Tech. (ICT) for Science Graduates	Mathematics (Graduate level) Physics (Graduate level) English Awareness General Awareness	30 30 20 20
4.	M.A.	Psychology & Education(Graduate Level) Social Work, Public Policy and International Relations (Graduate Level) English Awareness General Awareness	30 30 20 20
5.	5 Year Integrated Dual Degree Programme	Mathematics (10+2 level) Physics (10+2 level) Chemistry (10+2 level)	40 30 30

Mode of selection

For MBA programme students will be selected on the basis of written test (GPT-2010) followed by group discussion and personal interview. For M.Tech. (ICT) for Engineering Graduates programme GATE score, academic record followed by an interview will be the basis for selection and for remaining programmes written test will be the basis for selection.

Please note

1. The selection to the programme shall be provisional until the candidate furnishes all required documents and testimonials including final results of the qualifying examination.
2. The candidate should have completed all the requirements (theory/practical, and viva- voce) of the award of qualifying examination before the commencement of

the session. However, for the candidate submitting of final results of qualifying examination before 30 September 2010 is mandatory. Failing which admission will be cancelled.

Centers of Entrance Test

The GPT-2010 and GPTU-2010 will be held at following centers. Candidates are advised to give three choices of test centers. The centre may be cancelled if the required number of students fails to opt for a particular centre in a specific test. Request of any change in the choice for test center shall not be entertained under any circumstance.

City	Code
Noida	01
Delhi	02
Lucknow	03
Jaipur	04
Ranchi	05

How to apply

Candidate seeking admission in any of the above programme is required to apply on the prescribed application form. Application Form along with information bulletin can be downloaded from the University's website www.gbu.ac.in. Candidates are required to fill the information on-line and download the Application Form. Hard copy of the downloaded duly filled form in candidate's own hand writing should be sent to **The Chairperson Admissions, Administrative Building, Gautam Buddha University, Greater Noida, Gautam Budh Nagar-201 308 (U.P.)**, along with a demand draft of Rs. 1400/- for General / OBC Candidates and Rs 700/- for SC/ST from any scheduled bank payable at Greater Noida, drawn in favor of Chairperson, Admissions, Gautam Buddha University. Candidates willing to apply for more than one programmes are required to submit separate application form for each programme along with the prescribed fee. **Filled in application forms in all respect should reach to the University, by hand or by post latest by 31 March, 2010.**

However the application form for programme " M.Tech. (ICT) for Engineering Graduates" (admission on the basis of GATE score) will be available on GBU website from 1st March 2010. The filled in application forms should be sent along with a demand draft of Rs. 500/- for General / OBC and Rs 250/- for SC/ST candidates from any scheduled bank payable at Greater Noida, drawn in favor of Chairperson, Admissions, Gautam Buddha University, at above mentioned address latest by 15th May 2010.

Admit Card

1. Admit card will be sent by post to the each candidate by 20th April, 2010 and list of the candidates alongwith name of the test center will be displayed on GBU website. If a candidate fails to receive the admit card by stipulated date, he/she may contact examination section latest by 30th April, 2010 on phone or by e-mail. Contact phone no. is 0120- 2344234 and e-mail address is admissions@gbu.ac.in.

2. Any plea that a candidate failed to receive the information for appearing in GPT 2010 and GPTU-2010 will not be accepted as a ground for the refund of fee or other redressal. Gautam Buddha University may withdraw the permission to appear in GPT 2010 and GPTU 2010 granted by mistake/false information to a candidate who is not eligible to appear in mentioned examination even though an Admit Card is issued and produced by the candidate before the concerned Centre superintendent at the examination centre.
3. Since successful candidates are required to produce the admit card at the time of admission, it should be carefully preserved until the admission process is completed.
4. Issuance of admit card doesn't ensure the eligibility of the programme.

Reservation

The admissions in different programs of GBU are open for all citizens of India- irrespective of class, creed or sex. Reservation for different categories of students belonging to U.P. & other states shall be made as per provisions of Gautam Buddha University Act, as applicable at the time of admission. As per the present status, in each school 23% of the total seats will be reserved for SC/ST candidates and 27% for other backward classes (OBC).

Evaluation and Declaration of Results

The results of GPT 2010 and GPTU-2010 will be declared within 10 days.

Important Instructions

1. Read all instructions given in the Information Bulletin carefully.
2. Do not staple, pin or stitch your photograph. Paste it firmly in the space provided. Do not get it attested. Photograph in color should be taken with white background preferably wearing dark colored cloths. The approximate size of photograph should be 3.5 cms X 4.5 cm. write your name on the reverse side of photograph. Keep two more copies of similar photograph for future use.
3. Candidates are advised to go through all the points in the application form before mailing/submitting the form.
4. The Gautam Buddha University will not be responsible for any delay in receiving the application form for any reason whatsoever.
5. Candidates seeking advantage of reserved categories must **enclose an attested copy of all supporting certificates with the application form**. These certificates in original will have to be produced at the time of admission along with one attested copy of each one of them.
6. The students, who are applying for the programs where the admission is on the basis of GATE score and academic record, must attach the copies of GATE score card and all mark sheets up to graduation level.
7. Write application number in copies of all certificates that you enclose.
8. The result of admission to any of the programme, declared by Gautam Buddha University shall be final and binding.
9. If any document/declaration submitted by the candidate is found to be false at any stage, his/her admission shall be cancelled and he/she may be liable for prosecution under the law. In case of any legal dispute, the jurisdiction will be limited to Gautam Budh Nagar courts only.
10. The candidate must ensure his /her eligibility to appear in the Entrance Examination.
11. If a candidate, who is not eligible to appear in the examination, does so, he/she will not have any claim whatsoever, for admission and permission to appear in GPT 2010 and GPTU 2010. Put your signatures using black/ blue ball point pen only.
12. While filling the form, leave only one black box between consecutive words of the name. Do not write comma or full stop after initials, leave a blank box.

13. The signature of the student at the time of verification in the examination hall and in application form and admit card must be identical. **Applications with dissimilar signatures will be treated as incomplete and rejected.**
14. The students must keep a photograph of filled in application form and keep it safely till the admission procedure is over.

IMPORTANT INSTRUCTIONS FOR ENTRANCE TEST

USE OF MOBILE PHONE ELECTRONIC CALCULATOR, LOG TABLE, SLIDE RULER IS NOT PERMISSABLE

- Candidates should report to examination hall half an hour before the start of examination. **No entry shall be allowed after test starts.**
- Candidates must bring two HB Pencils, with eraser and sharpener along with black or blue Ball point pen for filling entries in the answer sheet.
- Exchange of pen/pencil/ sharpener etc is strictly not allowed in the examination hall.
- If the candidate is found in possession of books / any other printed material / any other paper from which he /she might take assistance, he/she is liable to be treated as **DISQUALIFIED**. Similarly, if the candidate is found giving or obtaining, (or attempting to give or obtain) assistance from any source, he or she is liable to be **DISQUALIFIED**.
- A candidate must preserve his / her admit card until the examination process is over , since it will be required at the time of GD And Personal Interview
- **The Duplicate admit card shall be issued to the candidate on 7th May 2010, from 10A.M to 5 PM (but not on the date of examination) at the prescribed examination center, in the city of exam.**

For getting a duplicate admit card the student must bring:

- Two passport size photographs (Black & white), similar to that pasted on the application form.
- Proof of having submitted the application form, indicating its number
