Network Communication

Quality of Service

Robustness

Reliability

Security

Previous Conferences
2010 - Houston, Texas, United States
2009 - Las Palmas, Spain
2008 - Hong Kong, Hong Kong
2007 - Vancouver, Canada
2006 - Waterloo, Canada
2005 - Orlando, Florida, United States
2004 - Dallas, Texas, United States

Welcome to
QSHINE 2013, 9th International Conference
on Heterogeneous Networking for Quality, Reliability, Security and Robustness, that will be held at Gautam Buddha University, Greater Noida, India on January 11–12, 2013

The objective of this conference is to emphasize the recent technological developments in the areas of Network Communication, VLSI Systems and will cover a wide range of issues related to Quality of Service, Reliability and Security in the realm of Information and Communication Technology. The aim of the conference is to bridge the gap between the technological advancements in the industry and the academic research. Thus this conference will provide a common platform for the Professionals, Experts and Researchers to interact with each other to exchange their innovative ideas.

Special Sessions
Workshops, Demos and Tutorials as special sessions are welcome.

Best Paper Publication
The best 10-20 papers will be published in a peer reviewed SCI Journal.

Highlights:

- The event is endorsed by the European Alliance for Innovation, a leading community-based organization devoted to the advancement of innovation in the field of ICT.
- All accepted papers will be published by Springer LNICST and made available through Springer Link Digital Library, one of the world's largest scientific libraries.
- Proceedings will be submitted for indexing by Google Scholar, ISI, EI Compendex, Scopus and many more.

Important dates:
Submission deadline: 30 September 2012
Notification deadline: 15 November 2012
Camera-ready deadline: 30 November 2012
Start of Conference: 11 January 2013
End of Conference: 12 January 2013

Endorsed and organized by

EAI European Alliance for Innovation
