IEEE Day

On the occasion of IEEE Day (October 7, 2014), the IEEE-GBU Student Branch and School of Engineering has organized events on 9th & 10th October, 2014. For this many competitions like poster making competition, technical quiz competition, group discussion and photography competition were held on 9th October, 2014. Not only the students of GBU but the students from the other universities also participated in these competitions with a great enthusiasm.

Along with these competitions, the members of the Student Chapter encouraged all the students and faculty members of the University to collect E-Waste. They collected a good amount of E-Waste that is to be send to the authorized agency that ensures proper recycling of E-Waste.

On 10th October 2014, the event was held in the School of Management Auditorium. Mr. Daman Dev Sood (IEEE Brand Ambassador of India), Prof. K. Subramanian (Vice Chair IEEE delhi Section) were the orators and Dr. J.P.Sharma (Vice Chancellor- Gautam Buddha University) was the chief guest of the program. All the respected deans and the faculty members were present there to grace the occasion. More than 60 IEEE members and 200 non members attended this ceremony.

The program started with the lightening of lamp and laying a wreath to the Gautam Buddha sculpture which was done by all the respected guests and the deans. After that Prof. Anjana Solanki (Dean- School of Engineering, GBU) gave a welcome note and welcome all the Chief Guests. She showed her gratitude towards all the organizers of the event and congratulated them.

Dr. J.P. Sharma introduced everyone that were present there with the concept of E-Waste and motivated them to collect the E-Waste and dump them at appropriate place. Taking the event to a next level, Prof. K. Subramanian delivered a lecture "Leveraging technology for a better tomorrow" and emphasized how the technology is playing role for the development and advancement today. Proceeding further, Mr. Daman Dev Sood gave a lecture on E-Waste. He told about what E-Waste is and how it can be harmful for our planet and the affect the life on the planet. He encouraged to dump e-waste to a proper place and touched Swach Bharat Abhiyaan by cleaning the E-Waste. He distributed IEEE token to IEEE members as a token of appreciation. After all this, the prizes were distributed to the winners of the different competitions and the organizers of the event.

Lastly, Dr. Shabana Urooj (Branch Counselor of IEEE-GBU Student Branch) described about the event and the competitions in detail. At last she proposed vote of thanks to all and showed her obligation to all the guests and the audience of the event. The closing ceremony of the event

was done by the tree plantation drive. 50 saplings were planted including Dr. J P Sharma Honorable Vice Chancellor, Prof Anuradha, Dr. Anjana Solanki, Dr. Indu Uprety, Dr. Shabana Urooj and a team of students.
